Alright, well let's go ahead and open our bibles tonight, we're going to spend a lot of time in Second Chronicles Thirty-four, but we'll be venturing of into a lot of places, but you can be assured we're going to go from glory to glory tonight transformed into His very image more and more as we go. But I've been thanking the LORD richly again for this truth that He's given us, and again the Holy Ghost that through that precious gospel that was given to the Apostle Paul how it's unlocked the mysteries that the Holy Ghost is faithfully revealing to us throughout the word of God, and I'm so thankful to God that we see this pattern of love over and over. We see the pattern of my love for the bride, Jesus' heart the type and shadow, the metaphor how it parallels in so many different ways. And tonight going back to the life of King Josiah we're going to see the unfolding tonight through many of the things that he's, the LORD divinely had him to enter into that will divinely see the unfolding for the rapture for us, even into Armageddon for us, even the establishment praise God of Jerusalem for us. So, let's let Him take us down just a little bit more into that glory treasure vault tonight. 01:38

Now last week where we left off that Josiah we saw that did all that was right in the sight of the Lord, we saw that he walked in all the ways of David his father in the LORD, and then we saw the very last thing that it said that he sought God, and sought the God of his father David. And actually First Chronicles Twenty-Eight Nine, so you're pretty close there right now if you opened to Second Chronicles so turn on over there. You can see that David himself left this charge for his son Solomon in First Chronicles Twenty-eight Nine. This is what David said to Solomon, and so beautiful here as David's going to be with the LORD soon, but he's instructing Solomon to go on in the ruling and reigning that was specifically given to David as that king for Israel. And he says, and thou, Solomon my son, know thou the God of thy father. See how he says that? Know my God, know my God, the God of your father David. He wasn't ashamed of it was he? He was bold in the LORD; he knew how he knew the LORD. Paul knew how he knew the LORD, that's why he could say follow me as I follow Christ. That's why he would say and hear, listen, consider my words and I'll tell you what, you'll have understanding in all things. 03:16 How dare a guy talk like that. I'm so thankful that God's men, and God's kings you know what? They talk like that, that's our speak, that's our thanksgiving to God because of what He has given. And this is something, be assured in it, be a pillar in the house of the LORD. Stand, withstand having done all, stand. Praise God? 03:41

Didn't Paul say it wasn't unto him only, but unto all them also that love His appearing. It's going to be the exact same reward, it's the exact same exalted crown rank of righteousness. Praise God, He's not a respecter of persons, and His calling, His choosing is sure, it's steadfast, it's exact, and He will accomplish it, oh yes, He will. And those that will be accomplished in they know it. Brother Golden said, and I'm so thankful he did say it, because God gave you the knower; it's the truth, you got the knower. You

know it, and some people they just don't have the knower, they just don't. They go round, and round, and round. The tale of Joshua sure had a knower; they knew it. They know it, I know that's mine and I know it's mine now. It's really simple, isn't it? God said it, is that good enough for you? It is for me, listen to what He says now. So, getting back there, now Solomon my son, know thou my God, the God of thy father and serve Him with a what? A perfect heart, Wow, look at that it actually says that there doesn't it? And with a willing mind. Oh, amen LORD, give us the grace, and He does, for the LORD searches the heart and understands all the imaginations of the thoughts. If thou seek him, he will be found of thee, but if thou forsake him, he will cast thee off forever. And again, we understand this isn't speaking that He would deny Solomon heaven, but He would deny him right to reign, and that's the truth. Alright? 05:43

Take heed now. Notice it's now, not someday, not tomorrow; now. For the LORD hath what? Chosen thee. See, this is a big thing, when the Lord chooses you be thankful it's everything, don't be distracted, don't compromise His choosing, and how did Solomon compromise His choosing? He allowed his heart to be entangled with those that didn't have and didn't love the God of His father David. I'm confident that all of his wives; not all of them I should say didn't know God. They did but did they know that the God of his father David? See, like precious faith is huge, and we have to be aware of that. This is it, we're talking about eternity. This is my part time; I've got full time coming. You know what I'm saying? It's the truth, this is a vapor, eternity's a long time, and what He's called us into is incredible. So take heed now for the LORD has chosen me and what did He choose him to do? To build a house for the sanctuary; be strong and do it. Just go after it, He's chosen you, now just go do what He's told you to do. Amen, so what do we do? We run, we fight, amen? Because He's chosen and that's what we do. I don't worry, I don't think about what I'm going to do, I know what He's called me to do. Amen, you know it too. 07:28

Then David gave to Solomon his son the pattern of the porch, and of the houses thereof, and of the treasuries thereof, and of the upper chambers thereof, and of the inner parlors thereof, and of the place of the mercy seat, and the pattern of all that he had by the spirit, of the courts of the house of the LORD, and of all the chambers round about, of the treasuries of the house of God, and of the treasuries of the dedicated things. Oh my, just jump to nineteen, all *this, said David*, the LORD made me understand in writing by *his* hand upon me, *even* all the works of this pattern. 0808 That ignorant little shepherd boy, he could understand all that, he could understand even all that engineering, and all that architecture? You could understand a masterpiece of the architecture, and engineering of the grace of God, it's building in you praise be to God. That New Jerusalem, that Holy city that'll descend from heaven having the glory of God. Yeah, you do, you know why? Because He wrote it upon you; He wrote it upon your heart. And thanks be to God you can see here we go, this is it. He's the same yesterday, today, and forever, this doesn't vary. And so as David commands Solomon, Paul praise God he's a master builder and the LORD used him to be the sergeant at arms to us. Follow me as I follow Christ. 09:12

We're to be careful, be beware of how we build there upon, amen? I believe it's called truth in love, amen? Praise the LORD. So, we adhere to the words praise God, and we adhere to them; consider them as it says in Second Timothy 2:7. Paul said that to Timothy: consider the things that I say, and it'll give you understanding in all things. You consider what Paul says, you listen, adhere to it you understand the word of God, all of it, not some of it, not part of it, so if you really want to know the word of God know Paul's gospel, and how is all truth going to be open up to you? You got to have the Holy Ghost. Amen. That's why, thank You Jesus everything bounces from and back from Romans, and Ephesians, and Philipians, and Colossians; it has to, or the word of God wouldn't be true. It has to go through that for us to have understanding in all things, it has to be through Paul's gospel because the bible tells you so; it's not going to come any other way. Was Solomon going to figure out how to build temple any other way but through the word, and the instruction his father David? He didn't go out and get the engineer of Israel, he didn't get all of you know famous mathematicians, and you know those guys that knew physics and all of that. No. I think this shepherd guy comes here is my dad actually, and the LORD wrote upon his heart I'm going with that. What do you think? 10:52

So, we thank the LORD because as it says in Ephesians 3:3-6 let's just be reminded of what our instruction is. And this is the Apostle Paul, and he says it in many different ways pretty much in all his epistles, but I do and want to take note tonight in Ephesians 3:3 how that by revelation God made known unto me the mystery as I wrote afore in few words, whereby when you read ye may understand what? My knowledge; my knowledge and the mystery of Christ. You need to have Paul's knowledge, or you're not going to get it because the LORD wrote it upon His heart just like the LORD wrote upon David's heart all of the pattern of the tabernacle, the temple, the city; everything was there. It wasn't any other place, that was the chosen vessel and that's where it was. Paul's a chosen vessel, whereby when ye read ye may understand my knowledge in the mystery of Christ which in other ages was not made know unto the sons of men as it is now revealed unto the holy apostles and prophets by the Spirit. That the Gentiles; us, saved ones praise God, should now be fellow heirs, joint heirs as husband and wife, and of the same body, and partakers of his promise in Christ by the gospel. And once again, by the gospel, by the gospel, by the gospel. Not by works, by the gospel. And what is the gospel? It is the understanding and the knowledge of Paul, and what was given to him of the mystery of Christ in the church. Amen? Praise the LORD. So, we thank God that as you see that which was given to whether it was Solomon, or Josiah, or however this works, it works the very same way. However, thanks be to God we have a better thing. Yes, we do, an exceeding promise. Not a city built with hands; man's hands, but a city built by God. Hallelujah. 13:12

Now, going on here. As we go back, and you can turn over to Second Chronicles Thirty-four. Now we'll start in there. As we mentioned, Josiah did that which was right in sight of the LORD; he walked in all the ways of God of his father David. Now he speaks to God of his father David, and if you think about those things, those three things it's like he knew the LORD, he grew in the LORD, and then he fell in love with the LORD. Yeah, there it is, he knew, he grew, and then he fell in love. Isn't that something and that is actually if you look at the chapter thirty-four verse three, that's where we left off last week

where it said in the eighth year of his reign. He was only sixteen years old; he was a tender young man. Alright? While he was yet young, he began to seek after the God of David his father. That word seek means worship; see, there's your falling in love. It was different, see? Like I said he did that which was right in sight, and then he walked in all the ways, but then it got wrapped up a notch. Now I'm drawing nigh in fervent love to kiss my God, and that's the panting that David spoke of, that was that deer that panted for the water. There was a desire, it was truly something that was beyond in that love. 14:42

So, let's go on in verse three and get a little bit deeper here tonight in these things. So, it said that from the eighth year of his reign while he was yet young, he began to seek after the God of David his father, and in the twelfth year. Now he's jumped to a ripe old age of twenty. And in the twelfth year he began to purge Judah and Jerusalem from the high places, and the groves, and the carved images, and the molten images. Alright? So, when he's twenty he begins to purge out Judah and Jerusalem in the high places. Now notice what it just said right after it said of him seeking God. Worshipping God, falling in love with God. Well, in like fashion we have fallen in love with Jesus Christ, amen? Amen, praise the LORD we realize He's in love with us, and by the grace of God we're ready for His appearing; that's what a readied wife is you know that. We need to be a readied wife; His wife hath made herself ready. So we need to be that readied wife, and I pray and believing God that we are that readied wife. So, we're ready for His appearing, and we then soon will be raptured into glory at the first trumpet rapture, and you know what's going to happen? We're going to do some purging; oh yeah, we are. At the end of that tribulation a lot of purging's going on, and it's going to be right there in Jerusalem, it's going to be right there in Judah, and it's going to be all over the world. I'm going to tell you something so sweetly, it's going to get cleaned up mighty good. 16:20

So, let's go on over and read from Revelation Nineteen what the LORD is encouraging us here as Josiah fell in love, then he was readied to do some purging. When we fall in love we'll rule and reign with Him, we'll be glorified together with Him. We're going to come back with Him praise God on horses, hallelujah and that army of heaven and in Revelation Nineteen Verse Eleven what does it say? And I saw heaven opened and behold a white horse; and He that sat upon him *was* called Faithful and True, and in righteousness He doth judge and make war. His eyes *were* as a flame of fire, and on His head *were* many crowns; and He had a name written, that no man knew, but He Himself. And He *was* clothed with a vesture dipped in blood: and His name is called The Word of God. And the armies which were in heaven followed Him upon white horses, clothed in fine linen, white and clean. And out of his mouth goeth a sharp sword, and with it that He should smite the nations: and He shall rule them with a rod of iron: and He treads the winepress of the fierceness and the wrath of Almighty God. And he hath on *his* vesture and on his thigh a name written, KING OF KINGS, AND LORD OF LORDS. And I saw an angel standing in the sun; and he cried with a loud voice, saying to all the fowls that fly in the midst of heaven, Come and gather yourselves together unto the supper of the great God. It's a supper, that ye may eat the flesh of the kings, and the flesh of captains, and the flesh of mighty men, and the flesh of horses, and them that sit on them, and the flesh of *men*, both free and bond, both small and great. Notice that. How much carnage there is because we're going to read of that carnage because Josiah is just like that. He's that

violent. He's that in love, I'll tell you what, you're going to win him you'd better get your goodness out of there. Oh, I'm too compassionate for that. Well, you know what? You're right, you're right, you can go right on over there and grab a palm. I Don't want that. 18:36

Now go on nineteen, and I saw the beast, and the kings of the earth, and their armies, gathered together to make war against Him that sat on the horse, and against His army. Huh? And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image. These both were cast alive into a lake of fire burning with brimstone. And the remnant were slain with the sword of Him that sat upon the horse, which *sword* proceeded out of His mouth: and all the fowls were filled with their flesh. Oh, that's wonderful. Hallelujah, that's really only act one because that's the battle of Armageddon at the end of the tribulation. We get a double portion in this one. 19:26

Turn on over to Revelation Chapter Twenty. This is after the millennium okay, then the devil is loose for a short season, and he goes, and he will deceive the nations, and there will be sheep nations, and there will be goat nations. That's the time that this is speaking of. Alright? This is after the thousand years of that perfect peaceful time known as the millennium. Now let's read from Verse Seven, and when the thousand years are expired Satan shall be loosed out of his prison, shall go out to deceive the nations which are in the four quarters of the earth, Gog and Magog, to gather them together to battle: the number of whom *is* as the sand of the sea. And they went up on the breadth of the earth, compassed the camp of the saints about, and the beloved city. And that's important, remember that. What's the beloved city? Jerusalem, right? Jerusalem, Jerusalem and fire came down from God out of heaven and devoured them. The end. I love that, he just bam, that's it, whoop. It's like this great battle it's already to happen and arrgg, it's gone, done. I love Him so with you. Praise be to God that is a double portion of purging would you say? Amen it is, amen it is. 20:53

Now, go on back to Second Chronicles, and with all that let's again read on chapter thirty-four, Second Chronicles Thirty-four and let's read on verses four and five. And again, this is the purging that Josiah does. And we'll notice and I'll point out a couple things as we go the difference of when Hezekiah did it the purging, and when Josiah did purging alright, because there's a big difference. And they break down the altars. There's verse four, here's the purging and they break down the altars of Baalim in the presence; and the images, that *were* on high above them, he cut down; and the groves, and the carved images, and the molten images, he brake in pieces, and made dust *of them*, and strowed *it* upon the graves of them that had sacrificed unto them. Notice made dust *of them*. Made *dust of them*, made dust of them. We'll be hitting that, and now get this one, and he burnt the bones of the priests upon the altars, and cleansed Judah and Jerusalem. He burnt the bones. Not only killed them, He burned them. Fiery, lake of fiery. You see this? You see how this is going? There's your parallel, it's coming, and it'll keep coming. And so *did he* in the cities of Manasseh, and Ephraim, and Simeon, even unto Naphtali, and their mattocks round about. And when he had broken down the altars and the groves, and had beaten the graven and images into powder, so dust and powder, and

burnt the bone. He cut down all the idols throughout all the land of Israel, he returned to Jerusalem. All about Jerusalem. 22:43

All that purging and then here he returns to Jerusalem. Hezekiah, it said he removed the high places, he cut them down, and he did but it was Josiah that made them dust, that made them powder, that burnt the bones. You can see, Hezekiah again representing the full overcomers of the Old Testament; it's glory, it's marvelous but it really wraps up praise be to God and ramps up under Josiah because that's the New Testament full overcomers that are seen there. 23:19

Now, so Josiah makes dust out of them in verse seven; I love that. He utterly destroys just like we will utterly destroy praise God when we go into Armageddon and then especially in the end of the millennial time, but now let's keep reading on verses six and seven. Well hold on, we already read that, but I want you to notice there since we read that he returned to Jerusalem. Brothers and sisters, it will all be established there, it will. It's just going to be because that's what the word of God says. The world will be ruled from there, and Israel will reign over all the nations, and praise God you know Israel is not just going to have it's land back, it's going to reign over the whole earth and I yell amen and you think about the wicked, and I tell you what, those wicked the tide's coming out, and the wicked are being really seen, in fact they want to be seen, they're parading all around here. They do, and that real wickedness that hates Israel so much and hates the Jews. It's kind of surprising a lot of people, it might even surprise you. Huh? Some of these ones, even these Jews it's surprising them, well I thought you were my friend. Huh? And the sad part is honey is I'm going to tell you this, Israel is going to be fooled even the more. This isn't their wake up, I know we wish it would be but it's not. There's going to come a man; he's going to arrive, and all the nations are going to wander after him, and the Jews are going to get in line, and they're going to think he's there to save them, and I'll tell you what, sudden destruction's coming. 25:26

But I'll tell you what, the glory's coming. Israel, let me tell you something, the glory's coming. And those wicked that don't think that Israel should even have Jerusalem back, ha. They don't have any clue; they're going to rule over the whole world. No wonder they get so angry after the end of the millennial time. In a round-about way where they camped about. It's all about Jerusalem isn't it. Just like today, it's all about Jerusalem, isn't it? It can't help but be because the bible tells you so. The sinner can't do but what God tells you the sinner's going to do. He's appointed the wicked for the day of evil; it's all there and there's a lot of wicked, there's a lot of appointing going on right now till the day of evil. I'll tell you what, it's upon us in a lot of ways. 26:26

So, let's go on now for more glory, verses eight through ten. Now in the eighteenth year of his reign, so he's just getting way up there now. So, what do we got here; twenty-six-year-old man. When he had purged the land, and the house, he sent Shaphan and the son of Azaliah, and Maaseiah the governor of the city, and Joah the son of Joahaz the recorder, to repair the house of the LORD his God. So, I want you to think about this, and we did analyze this under the Holy Ghost here a few weeks back, but they're going to repair the house of the LORD right now, okay? And when they came to Hilkiah notice

they did all the purging, and now they're going to repair the house of the LORD. When they came to Hilkiah the high priest they delivered remember that the money. That money means the thing longed for, and we remember Hezekiah when he restored the temple alright? Remember the first thing he brought in were the priests, right? And bring in those priests, there's your type of the Old Testament full overcomers; they're the ones in heaven right now. The priests are there, hallelujah the twenty-four elders, they're there, hallelujah. The friends of the Bridegroom, they're there. 27:48

They arose there in Matthew Twenty-seven. We thank God we saw many of those graves opened. They're given their glorified bodies and they're there just waiting, and waiting, and waiting for the voice of the Bridegroom. Hallelujah they're your friend hallelujah. So, that's what they're doing, and everything in heaven is taking note. But Josiah here he represents again this time of the full overcomes of the New Testament. Bringing in the money means the thing longed for, that's the bride amen, and we thank God for it; we're coming home soon. So, if you go on with that since we're talked about that before jump on down to verse fourteen. So now the bride has been brought in okay? So think of it that way, the bride's been brought in, now we get to verse fourteen, and when they brought out the money that was brought into the house of the LORD Hilkiah the priest found the book of the law the LORD *given* by Moses. So, here we have the money that's brought into the temple. The bride if you think about this. Okay the bride is rapture up into heaven okay, and now for these Jews the word of God is found. Isn't that kind of how it happens? The bride is taken, and the Lord begins to deal with Israel because here comes the tribulation. Oh yeah, He deals with them first with what? The hundred and forty-four thousand. Think of that. 29:22

He goes right after them, they're part of the church, but then as it presses on and they're taken, then God shows His mighty hand, and He begins to protect them. They think they're going to go; they think they're going to die, but God's mighty hand shows at that Armageddon battle, and how He just takes them out. They're all gathered, they're all coming down there in that valley of Megiddo, and what does God do? He sends in the hail, He destroys them, the blood flows to the horse's bridal. You think of little Israel right now, and you're thinking of all the attacks of just these if you want to say terrorist groups or whatever they are that's nothing. The nations are going to rise against them honey. They're going to be a two hundred million army riding right down that valley. The bible says that I believe it. You can say whatever you want, they got drones that look like flies right now, what do you think these locusts are in the word of God John was writing about? They got teeth and they shoot fire; sure, they do, they're shooting tanks and killing and all that, they've got tens of thousands of those things. But God! And He's going to throw that down. So, when that money, when the bride, the thing longed for arrives in heaven let me tell you something the tribulation begins. Amen and all this begins to unfold, and thanks be to God as it says here, and Hilkiah verse fifteen answered and said to Shaphan the scribe, I have found the book of the law in the house of the LORD. And Hilkiah delivered the book to Shaphan, And Shaphan carried the book to the king, and brought the king word back again, saying, All that was committed to thy servants, they do *it*. Let me tell you something, Israel is going to be converted like that; just like that. 31:25

And they're going to go out in that millennial time and they're going to minister the word of God. You talk about the great revival there you go, that's when it happens. And Israel will be preaching and teaching the world, every nation. Yes, they'll go out, that's when this . . . Sad, people don't know the word of God, this is the great revival, this is when they go out and preach to every creature under heaven; this is when that will happen. This is when they'll baptize in the name of the Father, the Son, and the Holy Ghost because Christ will be on the throne as God. Isn't that beautiful? What a beautiful LORD, what a beautiful truth praise God. And then in verse seventeen, and they have gathered together the money that was found in the house of the LORD, delivered it into the hand of the overseers, and to the hand of the workmen. So, see, it's the thing longed for that basically enables all this to come forward. The bride will be in all of it because the bride rules and reigns with Him. The bride will be in judgment with Him to bring out all the judgment to pour out all the vials and those things that the word of God speaks of, and then the healing of the nations, all of those different things the bride will be all part of that because the bride is all part of, I AM THAT I AM; They're one. They're one, just let it thrill your hearts honey.

33:28

Now, we see this that the wrath of God at that final battle of Armageddon, that purge of Jerusalem. You talk about them, boy that word's going to come all out on Jerusalem. Israel's going to turn, they're going to yield fully to God into that millennial time, and that you can see how sweet that is, and they're going to do it. It was committed unto them, did you read that in verse sixteen it was committed to thy servants, and they do it? And that's what's going to be. Isn't that glorious? And see, this is how the LORD did it there, and He did it. You know, they were vile and going after other gods, and they were worshipping in the temple false gods, they done everything just to make everything putrid and vile, but God said this is My word, and I'm faithful to My word. It doesn't matter how far this has gone, it doesn't matter how ugly it seems, it doesn't matter how far you've gone, it doesn't mean how ugly you seem, you're Mine. And He will do it, praise God?

34:41

So, let's just take a couple minutes since we have just a couple minutes. Now that we've seen the mighty encouragement that hidden in here for us, and there'll be more of it. I want to go back and look at the heart of Josiah how he loved the word of God. How he was ravished by the word of God, and how the word of God was everything to him, and brothers and sisters that's the perfect hearted king. And thank the LORD that's you. You may not feel like it, you may not have a palace to see with your eyes, but I tell you what I believe you have a heart that sees that you're seated with Him in the throne. I think that's exceeding any palace that's ever been on this earth, don't you? So, we have this. Now, the perfect hearted kings, brothers and sisters, this is why you're here on a Wednesday night, it's sweeter to you than the honey comb any day, and I pray it is why you're here. I hope this isn't something you just do on Wednesday night. You know, this is date night. You know what I am saying, this is it and we're going to a really good restaurant and we're having the best of the best. And this is the longing of the deer for the water.

36:01

Now, this is just a couple minutes we'll spend here, and we'll call it a night. Second Kings Twenty-two. So go on over to Second Kings Chapter Twenty-two. This is going to be another oh facet in diamond looking at King Josiah. You look at these kings in Chronicles, and then you go back, and it tells you about them too in the books of Kings. So, in Second Kings Chapter Twenty-two let's begin to read verse eight. We're picking it up here where we just left off over in Second Chronicles where they find the word of God in the temple. Isn't that sad, the word was always there but they got so far apart from it. They got so far away from it that it was just surprising that oh my, we found it. and if you think again about Israel, think of how far they've gotten away from the word of God, and when it comes back to them oh my, look what we found, and it was always here. But the LORD, that's how He does it. 37:05

Now, reading from verse eight. And Hilkiyah the high priest said unto Shaphan the scribe, I have found the book of the law in the house of the LORD. And Hilkiyah gave the book to Shaphan, and he read it. And Shaphan the scribe came to the king, and brought the king word again, and said, Thy servants have gathered the money that was found in the house, and they have delivered it into the hand of them that do the work, that have the oversight of the house of the LORD. And Shaphan the scribe shewed the king, saying, Hilkiyah the priest hath delivered me a book. And Shaphan read it before the king. Now let's notice verse eleven. And it came to pass, when the king had heard the words of the book of the law, that he rent his clothes. He was so overwhelmed in hearing the word of God he just came apart. He was just like, see it was the God of his father David, he had the same reaction: it wasn't well, that's great, it wasn't well that's some beautiful words, it wasn't that wow this should really encouragement, it was just overwhelming to me it was like this is too much. He was just trying to get out of his skin because I'm overwhelmed. And this is the heart praise God of the perfect hearted kings, dancing before the LORD. That same heart and that same spirit.
