And we find that wonderful word pleroo in many different places in Paul's gospel, and again it's that exceeding, infinite, never ending overflowing cup is what this fulness is. And what it does is it renders us complete and perfect. See, that's the overflowing, that's exactly what the exceeding riches of His grace and His kindness is to us will just continue to go on with forever and ever. But let's go ahead and open our bibles up tonight to Philippians Chapter Four, and what a highlight this is for us, and an encouragement from our beloved Brother Paul by the Holy Ghost. And he says in the nineteenth verse of chapter four he says but my God. Oh, my God shall supply, and there's the word; that supply is that pleroo. That is over, abounding, never ending fullness of rendering you perfect. So, think about what he's talking about here. But my God shall supply, and what a word that they use there just supply for what it really means, but it's wonderful that He does supply. 01:18

But how incredibly He supplies and think about how incredibly, and what incredibly He's supplying for, and what's being supplied to us. But my God shall supply all your need according, or down from to His riches in glory by Christ Jesus. But my God shall supply all your need according to His riches in glory by Christ Jesus. And think of that as it says, I love that His riches in glory. Has He not freely given us everything of His? So, what's he's talking about is what He's freely given us; isn't that glorious that we have been blessed, we are blessed with all spiritual blessings in the heavens in Christ. The Father in giving us Jesus, how could He not withhold, or He couldn't withhold anything; He had to freely give us all things. With Him I freely give you everything, you got everything. So, all my need according to His riches in glory by Jesus Christ. We have all of His riches in glory filling the need; I want you to see that. But my God shall supply all your need; there's a need, and notice as we begin this, to drink this cup you must take ownership. Just liked Paul is taking ownership, my God, my God. 03:03

This is the Apostle Paul encouraging us brothers and sisters. This isn't l only unto him, this is unto all them also that love His appearing. This praise God was the dispensation that was given to him for us, amen? So, we thank the Lord, He says my God in the word of God. He says my grace in the word of God, he says it's my crown, it's my peace; all of His in mine. And I thank the Lord, the boldness, this isn't just for Paul, this is for us. We need to be bold in the Lord and understand that we have the same standing. We have the same calling, we have the same choosing; MY GOD, my God shall supply all my need according to His riches in glory by Christ Jesus. You put yourself right in there. It's mine brothers and sisters, why? Because He said it, and its mine because He promised that He freely gave me all things. So, you see how that sets the table that you have it all? I mean we talk about this all the time but there's a reason you have it all and it's to supply your life right now. And we're going to read, and we're going to understand why He wants to supply you with all the riches of His glory right now because there's a need. There is a need. 04:27

And I want you to think about Psalm 139; we've been hearing about it again. You know Psalm 139 it makes it real clear; He made you. He made you, oh yes He did intricately, but He also made you fearfully and wonderfully made. Every thought of yours, every thought of yours He knew before time began; before time was even created He knew every thought. I thank the Lord then by making us He made us intricately, He made us precisely, He made us individually to have specific needs. I can testify to that being your pastor. I get lots of different calls, I get lots of different fellowship of different saints. It's interesting every one of you are very, very unique. The Lord set that up even as we see those little snowflakes fall from the sky; every one of them is perfectly unique, there's not two alike, and You think of the umpteen trillions of, oh that's not even close to get it, but there's never been two alike. Now if you did that with a snowflake you know He's doing this with our lives, and He says it right here in Psalm 139 that we are so specifically made with specific needs, but they are needs that He recreated for us. Do you understand that? By the grace of God do you really believe that that every need that you have He created? Go back and listen to the One Hundred and Thirty-ninth Psalm. Go back and read praise God that little interpretation, and it's just the interpretation of what it means in the depth. It's right there on the website; it just blows you away. Every thought, everything, well you have to remember we're talking about His equal in glory. We're talking about His wedded wife. Let me tell you something, she's going to be like Him, and she's going to be bone of His bone, and flesh of His flesh, and it's so glorious how beautifully He has made us. 06:36

So, again those needs that He created for us, I want you to understand what they are. They're glory needs; your needs are glory needs, and what I mean by that, that would be supplied by His riches in glory. your needs are supplied by His riches in glory. How could they not be when he said I'll work all things together for your good, huh? How could they not be when He's promised He will perfect that which concerns you. If we're talking God perfecting this, and if we're talking that all things work together for good to them that love God, to them who are the called according to His purpose I'm going to tell you right now, I know what He's supplying, is glory because that's all God can supply is glory. So, if everything, if my life is being supplied by Him, let me tell you something this is a glory life. And the needs that I have by the grace of God are glory needs. They're needs that specifically give me the riches of His glory in every single moment of my life. Do you get glory when you've made your bed in hell when He's right there with you? Let me tell you, He loves you, He'll never leave you. What do you think the mercy that chases you down all the days of your life? It pursues you; that's glory. That's glory, we're going to read about how much mercy, and matter of fact how much glory mercy is. Matter of fact mercy is everything about glory. 08:25

We'll get there in just a second, so be mindful of this. But notice here it's not needs. Do you notice that? It said supply all your need, it's singular. It's all the riches of glory supplied for one need to win Him. Everything about your life is receiving a supplying for one purpose, and that's to win Him. That thorn that was given to Paul to win Him. That appointment for David, yes with Goliath to win Him, the appointment with Bathsheba to win Him. The appointment with Nathan the prophet to win Him. The appointment being fearful in that cave of Adullam to win Him. Acting like a madman before the king of God; to win Him. You mean everything of Davids life was to win Him? Yes to win God's best for what David

could have, amen., and God did the same for us. We talk about that intricate woven tapestry, and how beautiful it is, but you look at the backside and it looks like stitches that are all over the place so it doesn't look like it's going anywhere. That's your life if you look at it from the natural. It doesn't look like it's going anywhere. It looks like a mess, it looks like its confused and all of these different ways and shapes and forms, and all of that, but the Lord says oh no. you got to see the finished work honey. And that's what He looks upon is the finished work. So we thank God together that all of everything in our lives He purposed for one thing that it would all add up to win Him. 10:09

Everything, it had to take everything in your life to win Him. Ever bit of it, that's why it takes all the riches of His glory to be there for every need of your life. He's your deliver constantly. He's the God that delivers you out of all your trouble, it's guaranteed. He tells you all the time, just run into that tower which happens to be My name, and you're safe. I'll hide you away under My wing. Come on, the cleft of the rock you believe that? I believe it. So, He will exceedingly. He will infinitely, overflowingly supply all things down from His riches in glory. I think there's a verse isn't there, if He opened up, He opened heaven all the blessings, you couldn't contain it? He's got to enlarge you doesn't He? How's He enlarge you? Understanding grace, that's the way you grow. You grow in grace and the knowledge of our Lord and Saviour and Saviour Jesus Christ. You understand this far more all the time, the depth of this mercy that saw you in ages past. I just love you, I can't help but love you. It doesn't matter, it doesn't matter, it doesn't matter, nothing will separate you from His love, and that's what He continues to tell us in so many different ways. 11:50

So, everything for all things. Think of this, everything for all things to work together for your good. That's right, everything for all things to work together for your good. So, once again that's got to be the riches of His glory, because if He's working it I don't think He does a half job like some people do here. God's work is a glory work; it's glorious, that's all He is, He's glory. So, His workmanship is a glorious thing and that's you. And He tells you and He promises you that all things work together for good to them that love God. So, all of that is because the supplying of your entire life is for one need, and that's to win Him. Is that not what matters, amen? And it took everything, it took everything that David went through to have David to be always represented as the perfect hearted king. David couldn't be magnified, it had to be the grace of God that was with him. 13:00

The same with Abraham, the same with Esther, the same with Rahab, the same with Rebekah, whoever it was that you'll find in that eleventh chapter of Hebrews; whoever you find that is that full overcomer, and the full overcomer is always believing in the promises of God that they are yay and amen, but it is by faith. That it isn't by works, there is nothing I could merit. That is Him that does it, and aren't we thankful for that, What a rest we have the thankfulness of God if we just believe our precious Lord. That's all that pleases the Father; it's impossible to please God without faith. Isn't that a glorious thing, and isn't it such a simple thing? Just to hear the word of God, and that's why I want to hear the word of God constantly through the day to believe the Lord. He's the Lord thy God, He's even chosen our inheritance. I was reading that to Brother Mark just a few minutes ago. It said that in Psalms that He's the One that chooses our inheritance. 14:06

You think that He's chosen you to hear this gospel for this inheritance that you're hearing us tonight? Was that somehow you chose that in your life because you were so smart, or so godly? Or this is the gospel that I wanted? Wait, I don't want this one, this one, this one, or did He choose it for you? Come on, give Him the praise, can we not give Him the praise and thanksgiving? Now, I want you to think of this; down from His riches, that's what is according to me, it is down from His riches in glory. Your entire life is a reservoir of receiving His riches in glory; your entire life, and you know that, You know the riches by the grace of God that you have. You have exceeding riches, you have the exceeding riches of jointly ruling and reigning together with Jesus Christ. You have the exceeding riches of being glorified together with Jesus Christ. Everything that you go through, think what you know; everything you go through. Everything you feel, the ups and downs it's all for His riches in glory to supply every part. It's for you to be a full overcomer in everything. It's not for you to be this full overcomer before you get there, it's for you to be a full overcomer when you're in it. That's the beauty of it, it's not well I'm going to conquer, and I'm just going to be able to do this, and I'm just going to just believe God all the way through. No, this is the conquering, this is the riches in glory when you believe not, and He abides faithful. 15:54

Do you understand it's that mercy and that grace that just comes down in such power and immensity of riches that you don't deserve? Does anybody deserve one bit of His riches in glory? Ask you, did you deserve one bit of it? Could you earn one bit of it? Does it all really have to be from the grace of God, and by the grace of God to receive even one part one bit of His riches in glory? You know it; you know it, so why wouldn't He deem it then I'm just going to pour it all on you because I love you? Praise God and then just begin to believe it even the more. See, the self-righteous don't want you to go on with this, they don't want you to take that. They don't want you to believe it's that free, and it's already that freely given. There's still something holding back. Jesus Christ has not held back from you one faith, and He's told us how many times I've freely given you all things; all things of Mine are yours, you're born Lord of all. It's just what is, it's just what we have, and then He gave the Holy Ghost to you. Why are you filled with the Holy Ghost? Why are you filled with the Holy Ghost? Because of His grace; because of His grace. Why were those so many up in that upper room? Why was it only them, huh? Because they were chosen because God knows that they would receive it. Why are we here tonight? Because we're chosen and God knows that we will receive it. Whom He foreknew, them He did predestinate; whom He foreknew them He did predestinate.
17:58

Now, let's go on tonight, and this is beautiful because this is Paul maybe the very last time he talks about these riches in glory by Christ Jesus. And I think it really is kind of concluding everything we're going to go back to here in just a minute. But how could you not state it any more beautifully and powerfully? He's supplying it all guys for your one need to win Him, and it doesn't say that he might, it doesn't say that he could, he says my God shall; it's a done deal. It's right there, it's been given, take it, take it, take it. Now, we go back and Paul mentions this five other times in scripture about the fulness of the riches of his glory that we have, and let's go ahead and start in Romans 9:23. Praise You Jesus, Romans 9:23 we're going to find this same riches in glory, His riches in glory. Romans 9:23 and here is Paul saying, and I have to tell you it's not that word might that we're going to read here, it does

translate shall, and I have that in my bible as shall. And that He shall make known the riches of His glory on the vessels of mercy which He had afore prepared unto glory. Now, who's going to get the riches of His glory? Who? 19:48

Well, who specifically is we? His vessels of mercy, mercy, mercy! Not His vessels of worker, or self-righteous, or legal, His vessels of mercy. The guys that sing, and His mercy shall follow me all the days of my life. Mercy, amen? That He shall would make known the riches of His glory on the vessels of mercy, but don't forget the last part because that's a beauty which He had afore prepared unto glory. Done deal. Praise God, by faith it's right there, you step right over into it, and praise the Lord He's waited for us, amen? Because He knew by the grace of God He foreknew, and He predestinated that for us that we come to this point in time to thank the Lord with all that is within us; Lord, thank You so much that you chose this inheritance for me. You chose this for me, you chose this for my brothers and sisters, and if you still think you still have to choose you missed it. You take what He has given. Hold that fast which thou hast that no man take thy crown. He put the message in your hand, He pt it in your ear, He gave you the ear. He put it in your heart, amen He did and you thank Him, and you rejoice, and you give Him all the praise, and that's what He's waited for this to say. 21:47

Oh hallelujah; there she is. I knew she would come forth because I prepared her afore unto glory. And that means before a star was ever set in heaven, and I understand and thank the Lord, it's all in Christ, but that's where He set me in love. Praise the Lord. So, your life again one big need, you vessel of mercy, and it's only the vessels of mercy to show forth all the riches of His glory. So you go out there in your own strength, and your own goodness, and your thanksgiving to you, you don't have any glory that you're clothed in, that's not upon you; you're just holding filthy rags. You like just throwing filthy rags on you, huh? That stink, the puss of the leapers, and all the other stuff too? 22:46

That's what you do when you're just going to throw around your self-righteous way. I want to be clothed in the riches of His mercy. I want to be thankful to God that it is the grace of God that's with me at all times, and I thank the Lord for it, and He'll show Himself mighty in us, and He will. Why would we want to be anything different? Listen to this, why would we want to be anything different that the masterpiece of mercy? The masterpiece of mercy that He's made you to show forth all the riches of His glory on? Why would you want to be anything different? You need faith for this don't you? You need faith to really receive the humility and humbleness. And thank You Jesus that You bring us to these places to where maybe a part of my life or whatever I was kind of living a fraud; I was acting. Lord, thank You, You took care of it. You made it real, You broke me through that place, You broke me from my stiff neck, You broke me from, well, that's grace, grace, grace, but. I'm praying for people whatever it takes. Sometimes it gets really ugly, but that's where the beauty comes out of: those ashes, always know it. 24:17

So, brothers and sisters, God help us to see this, amen? He gave us faith to see and believe that we are made perfect so to receive the grace of the riches of His glory. So, how are you made perfect to receive that incredible grace that are the riches of His glory? you're

a vessel of mercy, you're again that vessel that we see the exact extreme opposite of what it deserves always. You're thankful even when you're yielding to God, even when you're yielding to God you still didn't deserve it. Oh you do when you're yielding to God, well, do you deserve it when you're not yielding to God? So, in other words then it is, then let me tell you something, it's all right there always. Everything you just begin to embrace, He just loves me continually. Even when I act up, even when I'm bad, even when I make mistakes, even when I'm out of my mind. I was just thinking about that with David, there he was so fearful after God again, and this is all of us. It was like a moment where God led all of them through that Red Sea on dry ground, brought them over through there, and then he says You brought us out here to kill us. 25:43

Or whether it was the prophet after he'd called down fire from heaven, and there he was and was able to slay all of those false-god priests. There a few hours later he's laying under a bush. Well, I guess I just want to die because that one is going to kill me. But here's David. This is a man that God allowed with his hands to kill lions and bears. A boy, and a Goliath, and to have that faith. But here he is running and hunted like a partridge, and feeling that. And then having to think he's got to do these different things and acting like a madman, and then ending up in a cave. But God's faithfulness is written all over that. That's my perfect hearted king; that's My brave one. That's the one that needs me continually when he's high, when He's low, when he's believing, when he's believing not. Even when he's believing not he's still knows where to turn; he still calls out to God and says help me Lord. 27:08

Now, let's go on over to Ephesians Chapter One, verse eighteen. Now again we're going on His riches in glory, and He's supplied it all hasn't he for that one need? And here he tells us again of the riches in glory; His riches in glory. In verse eighteen chapter one it says, the eyes of your understanding being enlightened; that ye may know what is the hope of His calling, and what the riches of the glory of His inheritance in the saints. You see how He continues to pour it on you, and pour it on you? His riches in glory? Now listen to that again that you would see this. And see, you do see this. Do you understand that this is here for all of God's precious people? Do you understand that this is here for every child of God, that how few see this? How few really know this and believe this. But here is this prayer that we received from the Apostle Paul that the eyes of our understanding are enlightened, and they are that we know. 28:27

We know, here's another one we know what is the hope of His calling. I know what is the hope of His calling is in my life and your life, it's the high calling of God; that's the calling, that's the only thing, and then we thank the Lord that we have eyes that we know the hope of His calling, and what the riches of the glory of His inheritance in us. And how did that come into us, because He supplied it. He supplied it, He supplied it for every need, for every need. So, in every need that you have what do you know you need? You know you need grace. The only way you're ever going to receive that from Him you've got to know for everything in your life you need grace. It can't come any other way, you can't grow in grace and the knowledge of our Lord and Saviour Jesus Christ; you can't grow in the glory without grace. There is no glory without grace, so this is what He's done is He's supplied this so freely, everything of His,

every spiritual blessing in the heavens in Christ. Every bit of His riches in glory for your need to win Him. Your life is your need to win Him; every down setting, every uprising, every thought afar off, everything you go through for that need. 29:59

And everything for every need in your life He supplied the riches, His riches in glory for you to have it. We know how valuable we are to Him, we know brothers and sisters that I am my Beloved's, my Husband, and His desire is towards me. We know that we are His great wonderful pearl of great price, we know that we are is good pleasure, we know we are His love; His fair one. We hear those things. They're not just written down, they're mine; that's how He speaks to me, that's how He talks to me. That's how He settles my heart when it begins to get a little rough, when it begins to storm in there; peace be still. I love thee, I love thee, you're Mine, and then here it tells us that the Holy Ghost gives us power, and gives us the inspiration, and how does He do that? By assuring us of the great love that we are loved with that the riches of His glory are ours now. See, most of God's precious people think the riches of His glory are for a future time; they are for you right now. If you're ever going to have the riches of his glory you'd better be that vessel of mercy right now because that's who gets it. 31:31

That's who's going to have it on, that's who's going to be bestowed; that's the glory that descends from heaven. She has His glory; that's the riches of His glory. And that's what she clothed in. Turn on over now to Ephesians 3:16 and let's talk about this Holy Ghost that gives us this power and inspiration assuring us of this love. In Ephesians 3:16 let's read more of His riches in glory. It says that He would grant you according to the riches of His glory to be strengthened with might by His Spirit in the inner man. Now get that, get that again that He would grant you according to His riches in glory; this is what the riches in glory do. To be strengthened with might by the Holy Ghost in the inner man. I like that one. Not strengthened in your flesh, but strengthened in the inner man. And see, the riches of glory does that only to the inner man; Christ in you, the hope of glory. See, that's the connection, that's the only one that can receive the riches in glory. That's the only one that can believe the riches in glory; your flesh will limit you. People that think, that even know the bridal message, but they think somehow the perfecting of this flesh is how you really receive the fullness, the final depth of the riches in glory, that'll cause you to miss it. It'll be a wreck, It'll be a ship wreck of faith; you made a ship wreck of faith. 33:27

See, this wonderful riches of His glory is only given and strengthened by the Holy Ghost to the inner man, to the Christ in you man. To that man that's sinless, that man that praise God that cannot sin, and that's who you are, and that's the faith man, and that's by the grace of God to where you can come forward and say oh praise the Lord; praise the Lord, I'm a readied wife of the Lamb of God. I abide as a readied wife for the Lamb of God. He's given me that grace, He's given me that mercy, and I just abide. And I believe Him and I rest. I rest because I cease from my own works, and I believe Him when He said I am blessed with it all, thank God I'm blessed with it all in the inner man; in the inner man saints. It'll never be received by my goodness, by my strength, by my merit by me trying to keep something that

can never receive the riches of His glory. The riches of His glory can only be received by His grace; by His grace. 34:44

Faith to believe. Let's wrap this up, faith to believe, and know the enormity of Christ's unconditional love for you that He has chosen you for His wife. Let's go back and read sixteen through nineteen now. That He would grant you; that's a gift, that's I've given it to you; freely given. That's your grace, that's your mercy that He would grant you according to the riches of His glory to be strengthened with might by His Spirit in the inner man, Only the Holy Ghost can get you to believe this. Only the Holy Ghost can take that love and just shed it abroad in your heart to say oh my, my, my, He is in love with me, He's been in love with me since ages past. I'm it, I'm the Esther in the palace. I came in there with the other women, they might; you didn't even need to show up. He knew it like that. That's your life, that's what He gave you. He knew that you would have this faith. He'd been waiting for this union, praise the Lord. So again that He would grant you according to the riches of His glory to be strengthened with might by His Spirit in the inner man that Christ may dwell in your hearts by faith. 36:13

Oh hallelujah, that's the inner man. Christ dwells in me; Christ dwells in me, and He's all powerful, and He dwells in me by faith that ye being rooted and grounded in love, in love may be able to comprehend with all saints what is the breath, and length, and the depth, and the height. And to know the love of Christ which passes knowledge that ye might be filled with all the fullness of God. And where did that all come from that He would grant you according to the riches of His glory to be strengthened with might, power, the most holy faith by His Spirit in the inner man? It's just faith. 37:14

It's just believing and understanding who you are in Christ; that's everything, everything. Faith to believe it, and yes brothers and sisters we are the revelation, we are the manifestation of the riches of His glory. You're the revelation of the manifestation of His riches in glory. You want to read about that? I think we should. Let's go over to Colossians Chapter One. The revelation of the manifestation of the riches of His glory. That who you are, because remember, where did He put all of His inheritance? In the saints, amen? So let's read Colossians One, verse twenty-five. Paul says, wherefore I am made a minister according to the dispensation of God which is given to me for you to fulfill, to complete the word of God. Even the mystery which hath been hid from ages, and from generations, but now is made manifest to us to whom God would make known; here we go, what is the riches of the glory of this mystery in the Gentiles which is Christ in you, the hope of glory. Strengthened in the inner man; strengthened in the inner man, Christ in you the hope of glory. It's all there. The manifestation, the revelation of it? 39:01

Brothers and sisters, how could not read Romans 8:18 before we go because this is it. And this is our promise, and this is what God has for us, and this is what we know. So I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us, for the earnest expectation of the creation waiteth for the manifestation; that's the revelation of the sons of God, the sons in glory. You like your life?

Oh I hope you like your life. You'd better like your life because it's in Christ honey. If it was any other way, if it was any other life. If you had anybody else's shoes you couldn't run, and you couldn't run well. Isn't that the truth of it? You know, some other person, you know you're ready for a track meet, and you're ready to run, and you're an elite runner. Yeah, by the way here's the shoes you're going to wear. You'd say no way, I've got to have my shoes. So here I am, I got my camel. You got your camel? It's a perfect camel. It spits, it stinks, it's all these different things, but it's the one thing that's going to get you to the husband; one thing. It's so glorious, it's so beautiful, you are so intricately made to receive all the riches of His glory. He is an amazing God isn't He? He sure loves us, let's stand and be dismissed. 40:51
