Open your bibles up to Romans Chapter Fifteen, and we're going on with My Cup Runneth Over. The past two weeks we've been rejoicing that the righteousness of the law is fulfilled in us. It is fulfilled in us by faith, and by love. Isn't that glorious? By faith and love, and faith in love. That we have been made in Him the very righteousness of God in Christ Jesus. You've been made the very righteousness of God in Christ Jesus. How pure is that? How holy is that? How lovely is that? It's exactly what God loves; He's drawn to it, His righteousness. He made us what He loved. Praise the Lord. 01:04

Rest in that now saints, trust in that. This is God's plan, this is God's plan to magnify His Son, and He put the life of His Son in you to magnify His Son to love. Now are we the sons of God, and to love perfectly, to love the same, to love without any dissimulation. To love praise God, to lift us up to glory to be seated together, and we are. We have been made to sit together with Him. That was what you were made for. You were made for that. Have you ever heard people say you were made for this, or made for that, you know talking about occupation sometimes different? You were just made for it. Well, let me tell you something, you were made for one thing, you were made to sit in the heavens right beside Him. We haven't forgotten the wonderful study in the Psalm, did we? That beautiful Psalm; let's not forget those things. 02:15

Now I pray we are really seeing the beauty in Paul's cup that runneth over, and that's the cup that we have as partakers of his grace. There's nothing that runs over except grace; it has to be the grace of God, that's your bubbling cup, amen. And that's why Paul, was wondrously happy to say you're partakers of my grace, hallelujah. You got that cup and it's just bubbling right on over, and it is the fulness of grace that we have. on over, and it is. And we thank God in that we know that the law is fulfilled in us. We know we're presented and rendered perfect unto the Father; it's perfect in us, and it's by grace through faith. And that love praise God, that's how it all happened. That's how this all goes forward; it's by faith and love. It's not work; it's not duties; the cross did it all. You know that, the cross did all this? The cross gave you all of this, yes it did. And I asked this to myself, is the cross enough for you to believe? Is it enough, is it enough to believe through the cross, and by the cross He did bless you with all spiritual blessing in the heavens in Christ? Everything, He cannot deny Himself. Praise be to God, that blood is everything. 03:39

That blood on that mercy seat is everything, and it will always be everything. And I pray praise God that we get this because we have risen, He has made us sit beside Him in glory right now, and oh praise be to God the grace that God is with us. And going on with this precious overflowing cup of Paul in Paul's gospel that word is plēroōl, the overflowing presented perfect praise God overflowing cup. And tonight, we're going to

another one of those that we find in Paul's gospel in Romans Chapter Fifteen and we're reading from verse thirteen, and I believe that this is maybe one of the most glorious victorious encouraging verses that we ever have in the word of God brothers and sisters. We know it, and we thank God for it and let's go ahead and read this verse together. It says, now, and I love when you hear now, that, that means now, not some day, right now. 04:40

The God of hope fill you, and there it is; that word fill, it's plēroōl, it means overflowing, rendering you perfect in this. This is beyond what we could ever think of as full, but this is God's filling, this is God's fulness, this is that cup that runneth over. Now the God of hope fill you with all joy and peace in believing. Did you hear that? All joy and peace in believing that ye may abound in hope, through the power of the Holy Ghost. Glory to God. Now, the God of hope, now the God of expectation render us perfect in all joy, and all peace in believing. And think of this, this is what was given to us, His very resurrection power because this all happens by the power of the Holy Ghost. This is an abounding that we have because of the Holy Ghost. We abound in our expectation, that's what this is, that's what when it says here now the God of hope, that hope is expectation and we're to abound in that expectation. Ad here we go, that word abound is plēroōl. You talk about an overflowing, that word plēroōl means infinity. But it's not just infinity, it means beyond infinity, and then more, and then beyond that, and even more. 06:22

You see how much the Lord wants you to abound in the hope of believing? Praise be to God, and again this is not man's hope of if, this is God's word of expecting. It's assured; He promised it. It's fixed, nothing's going to vary, God's promises are yea and amen and to believe this fully, and to expect it fully, and to have this overflowing faith infinitely expecting God. Are you confidently expecting God in your life? I pray you are; I'm talking for everything. And I love this because this is specifically in the thing hoped for is what this is speaking of. It's just like He'll accomplish in the thing He has sent it. That's the thing that's hoped for. Christ in you, the hope of glory. Isn't that glorious? Christ in you, the hope of glory? Who's glory? He's glory, it's the hope of Him; Christ in you. What it is, what it will become, what He's waiting for to receive. Praise be to God, that husbandman, He's out there waiting for those grapes to come forth, isn't He? My best wine is coming forth, it's going to be on my lips real soon. It's just here and here, and here, and here. 07:49

So, as we wait for this, as He's accomplished tis for us we're having all joy and all peace waiting for it. Do you have all joy and all peace waiting, huh? you can. I can, we can wait for it assuredly. When you know something that you love is assured that's a mighty thing, and I'm going to tell you something, this is the only thing that you love that you're assured that you're waiting for. Everything else brothers and sisters, you may have confidence, a hope in it, an assurance in it, but this is it. This is the one thing that will always be there, it is this great love. And we wait for it assuredly, we wait for the manifestation of it, and we wait by believing. And I want you to think about this, it says now the God of hope fill you with all joy, and let's just say all peace in believing. That's a

wonderful thing that He fills you with all joy and all peace by believing; just by believing. And what does it say our life is, and what does our life live? Well, go to Galatians 2:20. This is how God set this up in your favor; you're highly favored because you have all joy, you have all peace in believing. 09:14

And in Galatians 2:20 let's read about ourselves. Every believer; let's read about ourselves. If you believe in Jesus Christ, this is you. I am crucified with Christ. I am crucified with Him, I died; I died with Jesus Christ. I believe it, I entered into His death with Him. Nevertheless, I live; yet it's not I that live, but Christ lives in me: and the life, and here we got another now; not someday, right now, the life which I now live in the flesh; in this flesh, the life I live, I live by the faith; I live by believing, amen? It's the only way I live now. I live by faith, I live by believing of the Son of God, who loved me, and gave Himself for me. Isn't that glorious? See, we live by the faith of the Son of God. We have the life of Jesus Christ, the only life that lives in this flesh. It's enclosed in this rental, in this camel, in this flesh; this unruly flesh but I've got the life, the priceless life of Jesus right in me. And this life that I have now I live one way, and it's by believing the word of God. 10:41

And I love the next verse. I'll never forget what follows it. I do not frustrate; I don't make void the grace of God: for if righteousness come by the law, then Christ is dead in vain. Why do you think that stuck there right after we just read? It's because you have the life of Christ. You've got all grace, you've got the fulness of grace. You've got the faith of Jesus that you live by. You're dead, it's nothing of you, this is all Him, this is all His mercy, this is all His grace, this is all His power. Praise the Lord. How can I take any credit, I am dead. Who gets all the glory? Anything come good out of this life? Whose life, is it? His. You see how simple this is? And you don't make empty that? Grace, that grace. None of this, if righteous come by the law, you don't go back into that, that's a lie; you're dead. You're dead, Christ fulfilled it all, you've been made the very righteousness of God in Christ Jesus. Why, because Jesus lives in you. That's your life, it's righteous, it's holy. It's sinless, it can't sin, it won't sin. 12:14

Now are we the sons of God Alex, it's glorious isn't it brother. Now grow up in that. Grow up in the honor, the wonder, how supernatural, how powerful that is. How perfect that is. See how perfect it is? It's so perfect that life rose with Him because it's His life, and that life praise God is seated right beside Him because it's His wife. Oh, what we are in Christ. So, our faith is what? Our life is faith, our life is faith. Our life is believing praise God, and we don't frustrate the grace of God, we don't make it void; that's what precious to the Lord was to give us His life of grace. And here back in Romans 15:13, and here it says that we are called to have all joy, and all peace by believing; all joy, and peace in faith. Not all joy, and peace in my works, or my deeds, or my successes. All joy and all peace in everything; in everything, and that what all is, and that means believing always in and through everything. Believing in and through everything. 14:06

All joy; all peace is my life because my life is all faith; it's faith in the word of God. It's faith in that He'll never leave me nor forsake me. It's faith that I can never be separated from the love of God. It's faith, though I believe not, He abideth faithful. It's faith, that even though my heart condemns me, He's greater than my heart. Its faith, and faith, and faith, and faith. It's faith if I made my bed in hell, Thou art with me. It's faith that surely goodness and mercy will follow me all the days of my life. It didn't say just on my good days; it didn't just say on the days where I really didn't do too many bad things. It said surely goodness and mercy shall follow me all the days of my life. Hallelujah. Thank the Lord for this, this is glorious saints. 15:10

So, all joy and peace is my life because my life is all faith, and that only happens by the power of the Holy Ghost. I'm here to tell you about that Holy Ghost again because that is what the word of God tells us. And the reason we need the power of the Holy Ghost is because we need the encouragement of this great love that we could never even imagine how great it is shed abroad in our lives coming out like a guizer twenty-four-seven; twenty-four-seven always. Not just when I'm in prayer meeting, not just when I'm on a Wednesday bible study in church just praising God. I'm talking in your lowest of low when you have really hit the skids. When it was like oh my, that's that guy again? 15:59

Huh? Holy Ghost love. Holy Ghost love, come on. That's the full overcomer, that's the full overcomer, not reliable on me, but relying upon His great love for me, and that is the reality that God is always for us through everything in our lives, everything and it's all by the power of the Holy Ghost. The power of the Holy Ghost and that Holy Ghost love shed abroad brothers and sisters, and that Holy Ghost taking all the things of Christ and making them yours, letting Him know they are assuredly freely given to you. What happens in that is so marvelous because it causes us to be a full overcomer. We take the very resurrection power over everything in your life, and I want you to go back and think about what was said on Sunday what the Lord brought out. That resurrection power. He raised you with Him over every event of your life. He raised you over every evil in your life. He raised you over death, over sin, over guilt, over shame; praise be to God, He raised you so high, nothing can hold you down. 17:21

Matter of fact you already went up, and matter of fact He already made you sit. Now will you be still? He made you sit, and you're still squirming around. Just sit there and enjoy, and say, thank You Lord Jesus for what You've done. See, that's when it's all joy. That's when it's all joy, isn't it? It doesn't matter what happens I know what He did, I know what happened. The only thing that matters that happened, He arose, and I'm risen with Him, and He made me sit together with Him. So, it is all joy, and I have all that joy, and I have all that peace by faith, and I have it always. Because you know one thing we know? And we know all things. Romans 8:28, we know this don't we? Now do you see why we know this. Because we're holy, because we're righteous, because of His life lives in us, it's the only life that there is because you died, and now He lives. 18:28

So, we know all things work together for good to them that love God. To them who are the called according to His purpose. Are you called? You sure you're called now. I believe it even tells you you're justified, amen? He keeps going on to sanctified and glorified. I know that bothers some, but I'll tell you what, I'm confident in the grace of God and seeing it more and more it's what I'm apprehended for. It's what I'm apprehended by. That's already done; He apprehended me for it. Did He not make you sit in the throne too? Yeah, He did, didn't He? How much will you realize that throne is to you, huh? You're born Lord of all, do you agree with that? That's In the word of God He said. Galatians 4:1, when you're born of God, you're born Lord of all. That's why He made you sit together with Him, right beside Him, right there. He didn't put you out in front of Him or anything, He put you beside Him to let you know this is your life, this is your inheritance, this is your birthright; you have everything. 19:44

Now, even though you have everything as Galatians 4:1 says, if you don't grow up in that, if you don't come to believe it, and feed upon the depth of it, even though you had the potential for all of that to rule and reign joint together with Jesus Christ, because you did not grow up in it, because you didn't take again the grace. You take the grace to increase this faith to say it's mine, it's all mine, but if that doesn't happen in life, even though you're Lord of all you'll be nothing more than the mentality of a servant in the palace. That's all you'll think you are. That's why most of God's people think somehow somehow I'm just going to serve, and then just out of their mind so happy to serve. See, the enemy knows that he can't keep a Christian out of Heaven, but the enemy the enemy sure can dupe you to think you shouldn't be ruling and reigning, and that's the truth. He just gets you to thinking oh my goodness, it just so good of me just to be a little servant. 21:00

Because it makes me feel so good, because He's so great and I just want to serve. Let me tell you something, He gave you His same very life for you to rule and to reign with Him. If He just wanted you to serve, God would have done it a whole different way. He wouldn't have done what He done with His Son, He wouldn't have had this grand plan, He wouldn't have sent the Holy Ghost that we could know all the love of God, that we could be presented to Him His glory? Isn't that incredible? That's what I say get that out of your head; get that out of your head, He just wants you to let Him desire you, and not be distracted, and to appreciate how much He loves you. And yeah, in a way you can never explain why except it's the grace of God; it's the mercy of the Lord. You're it, you're just it hallelujah, I'm not here quoting a mass, I'm not ere reciting empty words, I'm here in the depth of the gospel, the heart of God for His bride. That's what we're listening to. That's fantastic, that's amazing, and yeah, it's a handful. It's a handful on live here in this meeting, it's a handful online (live stream), it's not many, but that's how God always works and people can't understand it. But read the word of God. Hundreds, thousands, millions came out. Millions saw, two went into the palace. This is when you know the Lord's happening, you got billions, and here we got a handful. And there's other little handfuls, but we're one. This is one gospel; there's no other gospel; this is it. 22:54

So, we see in His assurance of all joy, and all peace. This is the trait. I really believe it. It is the trait of the full overcomer. I'm so thankful I've been around overcomers in my life. They're joyous, and within the overcomers there's a lot of non-overcomers and they're not joyous. Oh, they hear the same thing, but they have no joy. They can recite, they can tell you how they have peace, but they don't have peace. We'll get to that in a minute, you can't have peace until you got joy and that's the truth. And you'll see it very clearly. You can tell, oh I got peace, I got peace, and you don't have joy, you don't have peace, you're just fooling yourself. Truth in love brothers and sisters, that's what we're after. All joy and all peace because, praise be to God, a full overcomer, they believe in Jesus for everything, and that is the truth in love gospel. In its fulness, it's alive, full of the Holy Ghost, it's a life that abounds in hope, that we have that infinite abounding and expectation in the Lord, and that expectation is that He will perfect that which concerns me. It's not an if, it's just when it's going to be revealed in everything of my life because our entire life is faith. 24:24

We don't give up, we don't give up because we believe. We don't give up because we believe, that's the full overcomer. Full overcomers don't quit. And they're joyous in their faith, and they encourage others in their faith, and they don't isolate, and they don't try to get away. They want to be with those that have joy of the Lord. Praise God, all joy. Now you sure it's all joy? You're sure? Well, let's go over to, let's be encouraged by James. Let's read about all joy. And right out the gate in chapter one, verse two it's amazing where people just try to pick out stuff in this precious epistle of James and be so ignorant and not take the whole thing and understand what this is all about. Verse two, my brethren, count it all joy when you fall into divers temptations. What? Is that guy a nut? That's not what Christianity is about getting into all of these different kinds of temptation. Temptation's a bad word, how could he count it all joy, huh? Count it all joy in manifold temptations; yes, it means trials, but get in there, it means enticements. When you have enticements of every single kind count it all joy. Now how could you count that joy? You know why? Because you like Him, God, showing your weakness. 26:27

You like that? You sure now? You like God, oh sending you a thorn. It sure don't feel good at the start does it. But then when the Lord ministers to you like He did the Apostle Paul He said son, with the revelation of the knowledge that you have, of how much of the mystery I've given you the revelation of everything that I've love you as My spouse? Man, let me tell you something Paul, I know that flesh that I put you in, and even though there's this mighty deliverance on the road to Damascus, even though there's this mighty deliverance, you were out there killing Christians, and you were the most self-righteous guy there ever was let me tell you something, you don't ever have self-righteousness licked because you're in that flesh. Because you're in that flesh, and it can be puffed up in just a moment, a moment, a moment, a moment and we all know that before the Lord. But God is good and He's worthy to be praised. And what He does is He'll get a messenger of Satan to buffet you, to beat you up and yeah, temptations, here

they come. He'll show you what's in your flesh and I love that. I'm so thankful I know that everything is in my flesh, but the Lord knows my life and He knows there'll be certain things that'll manifest out of my flesh that you know what, won't be beyond what I can bear. And the things in my life are going to be different than yours. We're all those beautiful windowpanes, but it's the same light, and He knows what He's dealing with, and He knows what He's dealing with in all of us. Praise the Lord. 28:31

So, do you like Him showing you your weak? Yeah. Yeah, as I've grown up in the Lord, yeah. Mercy wins, it just does. And I thank the Lord as the gains as I've made in the Lord as I've grown up in the Lord, He's been faithful to compact the self-righteousness that can come along with it and He buffeted me just wonderfully saints, and I'm thankful to it and I'm thankful beyond whatever I could ever express because it magnifies that it's all Him. It magnifies that it's His love, and it magnifies that we believe Him, amen? That we believe Him, we don't trust in us, we trust in Him. 29:31

So, let's ask the next question. Is the joy of the Lord your strength? Is it, come on now. Is the joy of the Lord your strength? Well, that joy of the Lord, the joy of the Lord was the joy that was set before Him, and what was that joy that was set before Him? Was it the joy to suffer? That was joy. It was a joy to be with us; is that your strength? Is that what you glory in? Is that He and His joy was to be with you? That it was His joy to suffer? That's my joy that very God of very God that was His delight, that was His joy because He desires me. That's my strength, that's my motivation; His joy to take my sin, His joy to take all my guilt, His joy to take all my shame. Man, I'll tell you what. I rejoice, and I give thanks to God in my temptations, and the reason is, is because He already took it. 30:46

You see? You see how it just keeps flowing and flowing; He already took all that. So, as it comes and it's on me, I understand it's magnifying Him because it's in my weakness I see that. And then He assures, now son, I already took all that for you. And that's the peace that passes all understanding. That's when I know by the grace of God. See, His faithfulness never changes, His love never changes, His desire for me never changes; is that my joy? Is that what gives me strength? Is it His faithfulness, or is it mine? Oh my goodness, it is, it's a fantasy I have to think it's my faithfulness. No, it's not, it's His faithfulness. It's His faithfulness, thank You Lord. And because my mind is stayed upon the joy of the Lord, and by the way the joy of the Lord, His joy is you. See, my mind is stayed is stayed upon the joy of the Lord. My mind is stayed upon His joy is me. 32:07

He went to that cross joyfully for me. So, the joy of the Lord is me. So, my mind is stayed upon that the joy of the Lord is me, He can't help it because we will never change no matter and that's my peace. That's my peace is His desire. My peace isn't in my actions, it isn't in my works, it isn't any of that, my peace and my rest, is in His desire for me, amen? We're going on in grace and it's perfect. It's so perfect it holds you through everything. It's so perfect that there isn't anything else that you can grow in, but grace.

You can't grow in your meriting thing, you can grow in your effort, you can't grow in your striving. The only way you can grow is in the grace of God, and we're growing; Oh, we're growing. thank you, Jesus, because He's for that. That's what gives Him pleasure. It's growth, it's glory, and only grace brings that. So, I thank the Lord again that His joy is me, it'll never change no matter what; it is my peace, He will forever love me, He will forever fight for me, He will forever deliver me, He will forever heal me. Surely goodness and mercy shall ever follow me all the days of my life. That's joy. 33:53

That is joy. When I get down on myself for a while, I might get bummed about something, but I'm telling you joy is coming because He picks me up in this, honey it's about my desire, get over yourself; you are that great to Me. You're that great to Me. I don't need to be great to me; I don't, I'm great to Him, I'm His desire. I don't need to desire me, He desires me. You get that? I don't want to be my idol He loves me. So, finally I think it's pretty wonderful the order of what we're seeing here tonight. It's like Paul as he salutes in each one of his epistles, he begins grace and peace. Grace and peace to our Lord, or by our Lord Jesus Christ. That order's perfect, you'll never have peace without grace. Amen, we understand that; there isn't no peace without the grace of God; there'll always be an unrest and always know that for your life. When your life is starting to feel unrestful, and you're starting to find yourself cold, physical, judgmental, all of those different things I'll assure you that you're lacking grace. I'll assure me I'm lacking grace. 35:25

Grace is lovely, it's powerful, it's amazing what the grace of God is. But I am so thankful to say this too, it's always going to be grace first, but I love this, there's no peace without joy first. Did you notice what we read tonight? It said there that we would have all joy and all peace in believing. And as I said earlier, I've heard many people say, oh, I'm at peace; I'm at peace with this, I'm at peace with that, and you know there's no joy there. So, I can tell you this by the word of God, there's no peace. It's an act. Matter of fact, a lot of times it's a self-righteous act. And they try to give you their self-righteous peace without joy, don't ever take that; don't. Peace comes from joy; joy comes from love. 36:34

Let's go to Galatians Chapter Five and close this out tonight. You like the fruit of the Spirit? I notice it's a fruit, not the fruits of the Spirit, it's a fruit. When you got it, you got it all, just let it come forth. You have the life of Christ, you're fully righteous, you're fully holy. You get filled with the Holy Ghost; I'll tell you what, you're filled. Now let the fulness come forth, amen. It just manifests itself, it's all there. All that fruit, and all the pieces of that fruit are there; thank You Lord. It says in verse twenty-two of chapter five that the fruit of the Spirit is love. So, there we go, so we know it's all from grace, and what grace brings us, the very first thing you recognize with the unmerited incredible grace of God is its love. It is love to an extreme that you couldn't imagine it, but because of the power of the holy Ghost that was given to us. The Lord said that we would know it and know all of it in every dimension. 37:56

So, it says the fruit of the Spirit is love, then what? Joy, love-joy. When you're in love you're joyous. Come on, I don't care how stone cold you are, you ever fell in love? There had to be some joy somewhere in there, there had to be a smile; there had to be a thumper. I can't hide it, you know? And I'm thankful, but I believe that is innate, it's there when true love hits, it's joyous. I said it many times, you know when you see that person that you love, and you know that love at first sight, or whatever it is, and sometimes people would come upon them that, well I'm going to marry that person, my dad; I was thinking of him again on Broadway walked into that little soda shop as he came out of World War Two and there was my mom. This little teenager. He walked in there with his army buddy, just stopped, and he said to him I'm going to marry that girl. He didn't know who she was. But that was it, it's her. It's her, huh? You know, and it wasn't well it's her, and then he went and sat down and said I'm at peace. 39:27

Well, I'm just peaceful. No, I'm in love, I'm going to go talk to that girl. I'm excited, I'm sweating. I thought I was so cool and here's this young little thing, and I can't even talk right because that's joy. It's joy, and then what happens is you love, and what happens is you love, and here comes all that joy, and then you realize, and especially we're talking about the Lord, but even in a relationship when you know you're loved, and you have all that joy you rest; there's a peace, you're not working for it anymore, and with the Lord you never work for it. We thought we did, and all of that, but when the love of God really comes and it hits you, and how free it is, and how perfect it is, and how yes, you were the one. Jesus walked into the soda fountain, and you were behind there, and He said you're the one I'm going to marry. That's Esther, and the king. That's exactly how it worked, it was her. It took a nano second. Nobody else was in that room, it was her. Nobody else was in that room, it was just you. That's how He deals with us. This is why you have this message; this is why you don't have another message. This is why we hear the message of joy; God separates us out. Others hear this, they're here for a while, they're gone. His love means more somehow, it's not you. It's not you but I'll tell you one thing He chose you for it. The order is love, joy, and then peace. 41:20

You have to have His joy that comes from His love, and you have that in absolute assurance, that love, and then you'll be absolutely ecstatic in joy, and then I'll tell you one thing; you'll have all peace. As you go, I want you to understand this, all that joy, and all that peace from all that love it'll bother saints, did you know that? It bothers them. As I said a long time ago, and how does that come? It comes through believing, doesn't it? And what are you hearing, what are you feeding on. Are you feeding on the voice of my Beloved, I hear the voice of my Beloved? We hear the voice of our Beloved, don't we? That's what we hear because He gave us that ear. He gave you that to hear the voice of the Beloved, so you hear that and you believe that, and you know that it all came by grace that He loves you with that favor, that He loves you and you're that joyous, and that He loves you and you rest that even they took my little Lillys away, but you're like that Lilly. You didn't toil, your just gorgeous, and people that are your brethren, they have that life too. It's no different, but they don't have the enlightened eyes to see it. 43:01

They don't have the faith to believe it, so they're always going to toil. They're always going to take something out of the word of God, and they're going to say it's not finished, it's not done, I haven't done this, I haven't done that as opposed to, doesn't He love you with an everlasting love? An everlasting love, what love do you know that He loved you everlasting you with? Was it just a friend, huh? Did the Bridegroom's love, the love of the bridegroom, did that just kind of pop up over time, or was it forever? And everlasting, and everlasting. Everlast always was there for her. She was always hidden in that body; she was always going to be coming forth. And I understand yes, that's in Christ, I get that very much so, but I also know from the word of God that I'm apprehended for it; I'm apprehended of it, and whom He foreknew He did predestinate. And I believe that His grace is that great, and I thank the Lord the evidence of that is joy, and then from that joy we rest. 43:23

And great faith oftentimes I will tell you it's thought of as crazy, as arrogant, even defiant, huh? Watching that show about David, I don't think his brothers really liked all that great faith when he went up to the front line and said why are we allowing this? That an uncircumcised Philistine, he's mocking the name of our God. They didn't like that, they thought he was just being arrogant, and ugly, and all of that. He can't believe that much, God didn't favor him that much. There's no way he can have that, and he got it didn't he? He got the head in the sense of a prized possession. And we got a better thing. Run into it, it doesn't matter what they say. It's always the same saints; it's a tiny little portion, and sometimes the dad doesn't see it, sometimes the brothers are jealous of it, sometimes they say oh you're just a young punk, and you need to get in line. And you're just being arrogant, you're trying to bring something new in here, and this is the way we've always done it. Stand on the word of the Lord. I pray for you; you pray for me; I love you. Let's stand and be dismissed. 46:04
