Let's go ahead and open our bibles tonight to Ephesians Chapter Three. Now last week, and as we're going through this encouragement of this word that you find frequently in Paul's epistles (play ro' o) *plēroō* means a cup that is full and overflowing, but even infinitely, never stopping. It means to be rendered perfect, complete, presented in the fulness of glory and that's what Paul's gospel is, isn't it? It's not to come in second, it's not to give it a good try, it's to trust the Lord that He will do it. It's to trust the Lord, praise God that He will perform the good work which He's begun in me. It's to trust the Lord truly that we're of all them also; brother and sisters, of all them also that love His appearing. And we thank God for that precious truth, and encouragement that we receive. 01:04

But last week we saw that the bride is truly the fulfilment of it all. She fulfils Him as we read that so beautifully back there in Ephesians Chapter One, it says in verse twenty-two, God had put all things under Jesus' feet and gave Him to be the head over the things to the church, which is the body, the fulness of Him that filleth all in all. So, she fulfils Him, and that completion with Him, fills all in all. He is very God of very God, but He is not taking the throne as God until He has His wife; until He has her that will jointly rule and reign with Him and be glorified together with Him. So, we thank the Lord that it's in that precious union, and in that bridal relationship that Jesus Christ, praise God will have that fulfilment as we know Paul's gospel completes or fulfils the word of God. 02:12

Now, the bride really does rule and reign with Him saints, it is the truth. In that fulfilment they truly are glorified equally together. And then He asks as you begin to tell these things, well how does that happen, how do we enter in into that place that really completes Him? Well, let's turn over to as I said as we opened our bibles tonight to Ephesians Chapter Three, verse nineteen. This is the next of Paul's overflowing, this is the next *plēroō* that we see that word in Paul's epistles, and you find it in verse nineteen. And it says there, to know the love of Christ, which passeth knowledge; that ye, and I will have to tell you that word might is an interesting way that it's been translated. It can also be said that you would be or may be filled with all the fullness of God. And I want you to think about that, we'll just read it as it says it here that ye might be filled with all the fullness of God, and really listen to that, filled with all the fullness of God; that you would be. And not some, but all. 03:25

Now, in stepping back and really think about that, how could something so imaginable be? Well. as it says there, by knowing the love of Christ. Isn't that interesting? By knowing the love of Christ if you ever wanted to be filled with all the fulness of God that's the answer, that's the key; that's everything to it is to know that love. Knowing the enormity of every bit of Christ's love to you. And I want you to notice this as well too, it

says that as you see that, that ye might be filled; be filled with all the fulness of God. This isn't waiting for a future time, this is being now. This is occupying now in the fulness of God, and we thank the Lord that we were encouraged in that fulfilment last week that we know that knowing His love, this word *plēroō*, the knowledge of His love grants us the power to be filled with all of His fulness. Knowing His love is *plēroō.* It is rendered perfect, it's complete. It's a cup that's of overflowing and it's infinite. 04:40

The knowledge of His love grants us the power to be filled with all the fulness of God; to be rendered perfect, complete, overflowing in His fulness. Now, do you understand, and maybe understand a little bit more why the Lord continues to have coming forth from this pulpit, whether it's your pastor, or teacher thats ministering this meeting; it's love, and it's first love and it's His love that is the faithful love. And it's His love that'll never let us go. But I want you to think about this to be rendered perfect, and complete, overflowing in His fulness by His love. Well, why wouldn't it be, because God is love? If you're going to be filled with all the fulness of God, you're going to be filled with all the fulness of love because God is love, amen? I'm grateful to the Lord for this; the fulness of Him is love. Those that know the breadth, and length, and depth, and height of His love, let me tell you something, when you really know it, you know it in the intimacy you're filled with all the fulness of God. Oh yes, I thank the Lord completely overflowing. 05:55

We had a double portion last week if you go back and look at that. We had two *plēroō's* in verse twenty-three. It said, which is the body, the fulness of Him that filleth; the fulness of Him that filleth. So, there's an importance; there's an emphasis to this of how complete, and how full, and how full we make Him; how much He needs us, and how much we need Him. And how much He's given up to be the very glory of the man. Isn't that something. The woman is the glory of the man. And here we come to our verse tonight, and it says there, and to know the love of Christ in verse nineteen which passes knowledge that ye might be filled with all the fullness of God. So, again it's a double portion of this overflowing. It's this encouragement brothers and sisters, of this love, which is a joy unspeakable, and full of glory. 06:58

Now, this power really is simple, and I believe it really is simple because anybody here that's ever been in love, you know that when you were in love, and have fallen in love, and I mean really, really fall in love, you got to marry that person because why? Because they fulfil you. You've heard that expression; you complete me, amen? Well, where do you think we got that? From God. Why sure, and we know it from the word of His grace, and even from the very beginning that it wasn't good for man to live alone. And we have this wonderful gospel of the Apostle Paul that says that this gospel of Paul was given to fulfil, or complete Jesus. And what was that, that Paul's gospel brought was the mystery of Jesus Christ in the church, or the bride. So, it's the bride, or it's the wife of the Lamb of God that completes Jesus, fulfils the word of God, that fulfils all in all, and here she is. We're so grateful to the Lord, this is it. And how can we make a statement like that? Because He is faithful that has promised that He will do it. 08:25

As Brother Tim had prayed, He promised He would perfect that which concerns us. He promised by the grace of God that He'll accomplish it in the thing He has sent it. It will come forth and it will please Him. 08:38 He said I will perform the good work which I begun in you until that day. So, these are just a few of the many of the assurances of God, and I'm so thankful that we can stand on those promises, and just enter in, and when you say stand on them, you've entered into them. That's how you enter into the promise of God it's there, and all you do is step into it by faith. There's nothing that I worked for it because it was already given. So, He's asking will if we will just believe Me and step into this promise which is all by the grace of God, and I thank the Lord that we can. And He gives us the power by the Holy Ghost to truly believe the love of God that He is true in what He's saying. And see, the more we grow in the love of Christ, and in the knowledge of Him, the more we'll believe Him, the more powerful we'll believe Him. 09:24

That's why by the grace of God we are changing from glory to glory hearing this word and hearing this doctrine. And there isn't anything else that it's going to be. Because in the purity of the word; word of His grace, it will build you up, and it'll give you an inheritance among all them that are sanctified. It's assured because it's the word of God, it's the all-powerful word of God. It can't be stopped, it can't be changed, and it works effectually like dynamite in them that believe. Aren't you glad? Aren't you just thankful? Again, that rocking chair of grace, Lord, You really do have this. But we need to hear this over and over, over and over because we're just weak little sheep, and we forget. My goodness, we don't even need twenty-four hours, we just need twenty-four minutes; seconds, whatever it may be. But we, then the Lord that again, it's He that abides faithful, and He is the One again, that has promised us that He will do it. 10:22

So, now God is no different, He wants a wife to fulfil His Son, He wants a wife to fulfil His word. And I thank the Lord; He's even given us that in type in our relationship as men that have fallen in love. And you fall in love with this woman, and you fall in love with this woman not to say oh that was great to fall in love with you and go away. No, you want to be together, and you want to be together constantly. And the reason you want to be constantly is because you're not complete without that person. You're not complete without that person truly continually. You miss them, you long for them when you're apart from them. And that's what love is, it's something that well, how can you really explain it, you have to know it, amen? And I thank God I'm seeing some smiles; I think we know it. 11:18

Now, think of this as well too. It's all right here in us. Did you know that it's in you? This precious wonderful inner new man, the spouse for Christ Jesus is all right here; it really is. The treasure is in the earthen vessel. I thank God, that every child of God, is born with this potential even in the Song Of Solomon. You know, she had a little sister, but she could have grown up obviously and could have been someone that would have been ready for marriage. She thought she was. She could play about marriage; she could talk about marriage; she had a concept about marriage, but she wasn't mature enough to

be married. It said she had no breasts, and so in that it's expressing of the fruitfulness if you will that the Lord wants in that relationship with His wife. 12:17

Now, let us look at this as well too in that the Lord has given it all right here, and He put the treasure right here, all we need to do is let grace grow it up; that's it, just let grace grow it up. Isn't that how we grow is in grace and the knowledge of our Lord and Saviour Jesus Christ, amen? So, by the grace of God we believe in more grace. And the Lord says He gives grace for grace. I remember my sister just delighting in encouraging about its grace for grace, and the more grace, and it's all grace. And it's all ways, and it's for all things, and I thank the Lord it's all ways, and it never stops. And it's us who believe that God has given these enlightened eyes of understanding. Know in that power of grace we can't lose. And matter of fact we don't talk about losing because we're more than conquerors through Christ Who loved us. It's an interesting life we live isn't it that you think about how this mind can be so defeating. This, you know again, we want to go naturally speaking and look and qualify ourselves by our run, and our race, and our Christianity by our flesh. And the Lord says over, and over, and over it's by faith. And it's amazing when we believe the Lord what the inner man can do. I can do all things through Christ Who strengthens me. Isn't that a beautiful thing? I praise the Lord for this; there's a gentleness in what God is bringing forth tonight. 13:59

Now, as grace grows up in us what happens is we begin to occupy as a readied wife, it really does. Because you're so confident again in grace, and in the word of His grace that builds you up and gives you that inheritance among all them that are sanctified that you know again that that grace that He's given to you that is all powerful for all things will do it; will do it. He didn't call me to something that wasn't going to be. I think about all of the testimony that we have of the fathers of our faith. You know, whether it was David, whether it was Rahab, whether it was Rebekkah, whether it was Jacob. No matter which one it was God gave them that promise, and God saw it through, didn't He. God saw it through. There was Caleb, there was Joshua; they believed God. That promise brothers and sisters of Canaan was there for every single one of God's people; every single one. He wanted everyone of them to go right on over into Canaan; it was right there. 15:08

The difference was that you had two that believed, and the rest didn't. They didn't work for it, they didn't do anything; anything of themselves. They just said God's true, God's word is true, God's promise to me is real. God didn't just say this again to not give it to me. He's given it to me, all I do again is I go stand in the promise. Show me one that didn't receive what they didn't receive doing anything else but just believing God; just believing because God gave them an understanding to believe. You understand that. He has to give you the grace to have the faith, and then He'll show you in your life as we were talking about some of these things like with David and his all-powerful Goliath, and then there he is acting like a madman in front of a king. God willed that for his life, and He did because the Lord had to show him and to encourage mercy in his life. 16:12

See, if we're always hitting it out of the park and all of that, you're not going to be so thankful for the mercy of the Lord. He's got a way of doing it. You got a way of doing it in you, and around you, and things that maybe affect you, but thanks be to God that's why I say about brother's prayer tonight. That prayer where it's that broken heart and contrite spirit, I can hear it; it's the same one that comes out of this vessel. That's I'm living in Cannan now prayer. Let me tell you something, we have some long nights, we have some dark miles, but we have a song that causes us to look up, and just say Lord I never would have seen that if I didn't get so low. If I didn't get myself so far down in here, but You never left me to see the beauty of what you wanted me to see. That's how the enlightened eyes of understanding, that God has given me to see the word of God. I thank the Lord for this. I thank the Lord for the beauty of the relationship that we can have with our Lord and Saviour Jesus Christ. 17:25

Now, as grace grows us up, and grace causes us to occupy as the readied wife, and grace causes us to suffer together with Him as a spouse now, many will say well, how does that really happen in us? Well, we already said it, it's the new man. And the new man has to be strengthened brothers and sisters. It has to grow strong with power, with power in faith. We touched upon it, but now we're going to get really into it. So, let's back up in chapter three to verses sixteen and seventeen and let's understand how this happens in us, how this strengthening, and how we grow strong in the power hallelujah in faith. And reading from verse sixteen it says that He would grant you, and again the gift, the grace according to the riches of His glory. See, this is what He's after isn't it? He's given you all this grace, 's granting it to you He's granting it to you because of the riches of His glory. This is the inheritance that's in the saints; We've been reading about this. 18:30

So, that He would grant you according to the riches of His glory to be strengthened with might by His Spirit, by the Holy Ghost in the inner man, in the inner man. Christ in you, the hope of glory hallelujah. The new man, not looking at this and strengthening me and looking at the outward appearance but looking at the new man; strengthened looking at the new man, and that's the gospel that you hear in here. It's all about the new man, and it's about who you are in Christ, it's about by the grace of God your real identity. And know this, the old man is dead. The old man is dead; dead, you can't revive dead. It's dead. You can drag it along, but it's still dead; it's dead. You understand what I just said, it's dead, and people will confuse it and all these different things. Yes, there's two natures, yeah, but I'm so thankful that with the mind, the new man, the inner man I serve the law, and I'm so thankful with the flesh I serve sin. And I thank God, God's already taken care of this. You know why? Because the corruptible is coming off, and this is where He's decided to put the riches of His glory right in here. 20:04

So, where should my attention be? Where should my thoughts, where is the true. The lovely, the good report. Is it the barometric reading of my flesh, or is it what I just read? Oh and I thank God I just read this that He would grant you according to the riches of His glory to be strengthened, that's with power with his might by His Spirit in the inner

man. The inner man, who I am in Christ. The true, amen, not the lie, but who I am, amen? And here you go, that Christ may dwell in your heart by faith. Alright? And strengthened with that power of His might by His Spirit in the inner man; in the inner man that Christ would dwell in the heart by faith. This is a sweet thing here. This is why we need the dwelling of Holy Ghost faith in our heart, Holy Ghost faith. I want you to think again about what the Holy Ghost does. Yes, He leads us into all truth, but He's all powerful in shedding the love of God abroad in our heart. We know that faith worketh by love, amen? Amen saints, come on now, that's what faith is. You can have faith and move mountains, but if you don't have the love of Christ, you are profitless. 21:38

Profitless, you can get up here and act like you believe in whatever you want, but if you don't have the love of Christ as it says in First Corinthians Thirteen it profits nothing, and it does. Zero. And I thank the Lord that we need this Holy Ghost faith in our heart. And what that is, is it's love confident in believing the word of God. I'm not confident in Jesse in believing the word of God. I'm confident in the love of my Bridegroom, the love of my Saviour in the word of God. He's the One that's keeping it because He loves me, He's the One that's bringing me through because He loves me. He's the one I'm more than a conqueror through Christ because He loves me. That's why we're more than a conqueror through Christ because He loves me, and we thank the Lord for this. So, we're confident it's only by faith, and through faith in His love for me; through faith in His love for me that He will do it. 22:41

I've been in some spots before, have you, … huh? Have you got yourself in things? Have you said, what did I do? But I know one thing, He'll do it; yeah, He will. He didn't call me out here to destroy me, He called me out here to finish the good work which He's begun, and I thank God, man, those Holy Ghost faith eyes in love, it's always, He'll do it; He'll do it, He'll do it. You talk about rising up, it's marvelous. See, brothers and sisters, it's not works, it's not. It's not some called, ridiculous, I heard this, Grace Works, oh my. Or you got to make it practical. I hear that often, practical, brothers and sisters, I'm going to tell you is a code word for works by legalists. It is, it's a code word for works; it is, and you can be upset with that. The word is powerful by faith by believing. That's it, you believe. And he does and wills of His; that's what He does of His good pleasure in it. He does that; He does that. I've said it many times. I mean even in your own life there's somebody said well, you know I'm just going to, what would Jesse do? I don't go around doing that. And then even stop and say what would Jesus do? That's ridiculous. 24:20

Christ already lives in me, I know He's doing it. I know He's going to do it, I know He's faithful to that; that's the faith I need. It might not come immediately, but I'm going to tell you something, I'm going to stand on that promise. I'm going to believe the Lord, I know in due time He'll exalt in a sense me, but He'll exalt Christ in me, and He will. He will show Himself faithful always to us. But brothers and sisters this is faith in the knowledge of Christ, faith in the knowledge of Christ is faith in the knowledge of love; isn't that? We can have faith, and continue to have faith because we know scriptures, and we know scriptures, and we know scriptures. But I thank God all of us have had this time

come where you know what? My believing just didn't get it, and I had to understand truly that it's because Jesus loves me. It comes to that cut that I feel so empty, I don't have anything else to bring. Maybe I've been such a failure, maybe I haven't seen God work in a situation I've been praying for so long. Maybe every single time I've been hoping on the Lord, it never comes through and seems to get worse. And then I have to come to a point, by the grace of God, Lord I don't have any faith, but I know You're faithful. 26:04

And then the Lord encourages us what real faith is; it's faith in His faithfulness. That's what your faith is. And why is He faithful to you? Because He loves you. You see, you see how that grace for grace just keeps coming, and coming, and coming? And then you grow in that and then you know you can be in a prison cell and write a book of Philippians. You can by the grace of God begin to sing songs in the night in a prison. You can by the grace of God say oh I glory in my infirmities because when I'm weak, the very power of Christ is resting upon me. And you begin to rejoice, and you begin to understand oh, let me tell you something, this life is but a vapor, huh? I know quite a few are older than me here, but you know me a long time. As my mom said, my baby's turning sixty; that was pretty fast; pretty fast. 27:17

Thank You Jesus it is, and thank You God for His faithfulness saints, you know what? By the grace of God, He and us have been redeeming the time. Isn't that glorious? And isn't it glorious that here we are and in this time at this moment, and really, I believe with you by the grace of God it's got to be tonight. He's coming tonight, and there's joy, and there's peace, and there's rest, and there's a thanksgiving, and as that word of His grace is worked in your life it's not to compare ourselves among ourselves, but by the grace of God as Brother Paul said about that crown, it wasn't to him only, it was to all them also that loved His appearing. So, in that I can trace back a few verses and you know what? I'm ready to be offered. How dare you say that? I'm standing on the promises of God. I believe by the grace of God if He took me right now, if that was the will of the Lord, let me tell you something, I've been finished with a full joy. What do you think? I pray it's not an if to you, or a maybe; God doesn't treat us like that with His word. 28:39

That's not the truth; the truth is that His promises are yea and amen. He assures you isn't it; His full assurance of believing that full faith of assurance that we're not wavering back and forth where we're not unstable and wrestle with the truth? Just say you know, Jesus said that. I'm apprehended for that. My goodness, glory to God I've got a crown in my hand, I know that. And you know, others of my brethren they don't know that. Well, why don't they know that? Because the Lord gave me the faith by His grace just like you that you'd believe it. Isn't that something? Standing up in front of those people and I know like I said, I said to mom, I said mom, that was a dead, dead room, but they were ones that were alive. But so thankful to God, you know what? His grace caused me to say remember me. Why not all those others? It was there for them. But thanks be to God, you know what? I'll be gracious to whom I'll be gracious, I'll have mercy upon whom

I'll have mercy. I believe sister prayed in Spirit on Sunday with that sis. Thanks be to God. 30:09

Now, let's go on here. So, see we know that we've been given this faith in the knowledge of Christ, and faith in the knowledge of His love that He is in love with us. He's in love with us, that's what's so glorious. That's what Paul's gospel opens your eyes to see, and that He has to have us for His own, and by the grace of God He ravishes us, and we ravish Him praise God, and we ravish Him from the very first time He laid eyes upon us before the foundation of the world. And it was at that time He said, you know what? Just like when my daddy walked into that soda shop fountain-jerk thing over there where my mom was, I'm going to marry her. That's what He saw; that's what He saw in us in Christ in ages past. 31:07

Now, does this preaching make you complacent, or does it make you thankful? Does it make you lazy, or does it make you say, Lord just use me even the more. Does it make you sleepy, or does it actually make you awake and say oh, I'm so glad I'm alive? Does it make you want to quit and just get cold and separate yourself, or does it make you want to actually say my goodness, I can't help but love you. I can't help but show up. I can't help, but you know what, I'm tired tonight but I got to go to bible study. This isn't out of duty, this is out of love. That's why we smile, that's why we have a thankfulness in our heart. That's why by the grace of God, it's not cheering, it's praising. I appreciated brother saying that; it's a sacrifice of praise. It's a glorious thing, and how good we feel when we praise the Lord. 32:21

Now, let's go on here and read verse seventeen. That Christ my dwell in your hearts by faith that ye being rooted and grounded in love. Oh my, So, in faith the word of God says that we would be rooted and grounded in love. In love hallelujah, when we're rooted and grounded in love you know what happens? We're a captive of Him; we're captivated by Him. His love causes us to surrender our life; isn't that beautiful? See, we can try, but that won't last long. But when you're in love by the grace of God let me tell you something, it'll have moments, but it's in love. It just still goes on. He doesn't fight, you might, but He's patient; He just waits there. Sometimes I think He's telling me, now did you get over it yet? Okay, let's go. Just too much, did I do that again? Did I get in that same place again? 33:27

Oh, I'm so thankful, those moments are shorter, and shorter, and shorter, but He still gives them to me because I still praise Him for His mercy always. Now, that's when we gladly submit to Him. And brothers and sisters plan it in love. Rooted and grounded, that means it ain't moving. Don't move from the love. Don't let anybody else root you out and move you from love. I don't care who it is. I don't care what accolades they have. You know, again, as Paul came in and he told them, if I come back here and preach any other gospel, let me be accursed. This is, this is the first love gospel; that's who God is, it's love. And in that first love which is all grace, which is all His faithfulness, if there's anything that would ever be preached, and that's a curse. You understand that? And know this saints,

that little leaven leavens the whole lump. It just doesn't go in there a little bit, it can't, because the word of God says exactly what it'll do. A little leaven will leaven it all. 34:44

It'll eventually kill it. It'll make it cold; it'll rob all the joy. and I'll tell you what, as brother Hill said, you let it go on, and on, and on, eventually Ichabod's written over the door. God has departed. So, I thank the Lord that you know what? By His grace we're aware of this, we're not blinded to this, we understand that's why we need even the more grace that we plant here in love, that there's nothing else, we leave it there because once again we know the word of God tells us that without love nothing is profitable. Not even faith, knowledge, it doesn't matter how charitable, it doesn't matter how I could speak with the tongue of men and angels, if I have not love it profits nothing. Thank You Lord. 35:38

I think it's the most beautiful thing that our precious Bridegroom what He desires as the Father says, He's searching for the true worshipper. Isn't that beautiful? The true worshipper, and as we've said this over, and over, it means the true lover; and why wouldn't it be that worships in Spirit and truth? We know that that would be the Holy Ghost, the One that would take that love and shed it abroad in our heart. So, this would be the one that the word of God tells us that would draw nigh in fervent love to kiss Him. She doesn't hesitate because she believes Him. She believes when He said I'm in love with You He meant it. Brothers and sisters, Jesus Christ wants a wife; He let you know that, and He let you know that it's you. And you thank the Lord as that grace comes and touches your life, you don't go and say oh I'm not worthy or anything, you become like Esther, you just go before the king. You know, He gives you the feast, and He says hey you know what, it's Scott's feast, it's Lynn's feast, it's Larry's feast, it's Steve's feast, it's Jenny's feast, and on, and on, and on, and on. And He does that with each and every one of us individually, and He puts the crown on your head. He put the crown on your hand. See, Jesus doesn't mess around with this. When He wants to marry you, He gives you it right there and He says I want to marry you, and by the way if you want to say this, I've got the minister right here. Let's go at it and do you say I do? Come on, and here's the ministering right here. It's the word of His grace. 37:26

And we thank God for it, and we believe Him, so He wants a wife that loves Him, amen? that lets him love her. See, I thank the Lord. I do. I want to let Jesus love me and love me always. Love me when I'm bad, love me when I'm sad, love me when I'm mad; love me. I need to be loved. Have you ever been in a place where even as an adult, and I'll even talk to the men that you have to be hugged? Come on, alright, you are really strong guys. I tell them sometimes; I tell Polly, You got to hug me. Let Jesus hug you, let Him love you, let Him ravish you with all His blessings, with all the wealth, with all His power. When we feel so ashamed, and we don't want to be loved like that, God help us to be quickened, quicky to say it's nothing about that, it's all about your election of grace. 38:49

I think about it often. You know you hear sometimes these people warning sometimes there really nice person they found they fell in love with; the guy was no good. You could tell that woman over, and over, and over, and over no, no, no, no, no; it didn't matter. You know, and naturally maybe there was some truth in it, maybe it was a good thing. But brothers and sisters, this is the Lord with us, none of us are good. There's none righteous, no, not one, but He was so in love nothing was going to keep Him off the cross because He was going to have that wife, this message was going to go forth, He's going to have His wife, and He saw a path. All of our insufficiency, all of our badness, all of our unruliness, all of our unbelief, and He said oh no, Father thank You, I'm taking it all; I'm taking it all, she's forever lovely to me because I took it all. She's perfect, I've given her my life, I've given her my life to live in it. 39:58

Well, what He wants from her is that she believes that it's all hers always; always because He loves us. Isn't that really it? You know, and I do think as human beings sometimes we think we fail so bad that the people that love us aren't going to love us anymore. Sometimes that does happen with humans. You can hurt them so bad that they don't love you anymore, but you can't do that with God; you can never do that with Him. You can't hurt Him out of wedlock, and when you really know that, that's when you know the first love to stay in love. I hope this is getting through. It's hard to explain this isn't it because it's so deep? But yet I think it's so simple and I'm thankful to God that we can thank Him together of what He's made us to Him. You know? And just to truly rest upon the chest of our Beloved. We're going through a wild time, this is a wilderness, but yet just resting upon the beauty of His heart, and the faithfulness of His word I know we're coming out. Oh yeah, with full glory. 41:45

So, let's close this up. This all sounds way too fantastic. You know, it's just too over the top. How could we not know all His love, how could we be filled with all the fullness of His love. How could we stay believing in His love in first love that He will do it rooted and grounded there, and not moving? That why I gave us verse twenty. Now unto him that is able. I think I heard that earlier tonight. Unto Him that is able to do exceeding abundantly above all we ask or think, according to the power that worketh in us. How glorious. How glorious. See, that Holy Ghost power points it right back to Jesus that He is able, He will do exceeding abundantly above all that we ask or think. Glorious, the Holy Ghost Spirit power performs it all, above all we ask or think. And oh, I think about what I can think about, and thank God He so exceedingly abundantly above that whether I was thinking high or low; He's way beyond that. Thank You Jesus. Now, and that's what produces the glory for Him. 43:20

Once again, it's great that He'll do it, and He won't just get you by, He'll do exceedingly above all we ask or think. And thanks be to God it might years, it might be a long time. You know, we're out there looking at the same tree and it don't look like it's changing. Forty years on the backside of the desert, forty years before that right there in Pharoh's power. Like we're reading about David, oh my you anointed me king, and now I'm what? And all these different things that go along. Joseph getting the dreams, and the

beauty of his ruling and reigning, and he goes to kingdom to be a slave? You think the Lord's trying to tell us something? Do you believe Me, and then He shows us. Then He takes us on, but what it's all about praise be to God, it's what is produced for Him, it's the glory for Him; it's the wife which is the glory of man, and you read it right there in verse twenty-one because He says, now, unto Him who is able to do. See, Jesus does it all exceedingly above all we ask or think according to the power that works in us. Unto Him be glory in the church. There it is, the glory in the church by Christ Jesus throughout all ages, world without end, amen. The glory in the church and here we are. 44:51

Here we are, and we're ready to be offered to Him hallelujah. We're ready to be presented praise God. The glory that shall be revealed in you, and it's all because the Lord so graciously saints He's caused us to know His love. Know that you know this, and you believe it, and you're thankful for it. And you know that by the grace of God it's just the power of the Holy Ghost continuing to work in us and to grow up that most holy faith, and that most holy set apart faith is the faith that sadly so many of God's precious people don't have; the faith absolutely confidently in the grace of God, the faith absolutely confidently that He will perform it, that He does exceedingly abundant above all we ask or think. I thank God beyond more and more every day just to be able to rest in that because you know what, that rest, oh my. It causes the heart of my Husband to trust. What do you think, amen? Let's stand and be dismissed, praise God. 46:13
